The **Christian Convention Centre** was established in 1963 by Burmah Road Gospel Hall, as a place where the believers can meet and engage in recreational activities while at the same time seek spiritual edification. The Christian Convention Centre is the venue of the annual Bible Camp organized by the Penang Assemblies, and is attended by participants - usually young people from the assemblies from all over Malaysia.

The 17th Penang Bible Camp was held in August 1963. This year marks the 74th Penang Bible Camp 2020 but due to worldwide pandemic it is cancelled for the first time in history which means God willing the 74th Bible Camp will be held in the year 2021.
