Praise & Prayer Items

Prayer should be perfumed with love, saturated with love - love for our fellow believers and love for Christ.

Assembly

- Praise God that the CMCO has been lifted and we can return to BRGH for the Lord's Supper to remember the Lord Jesus Christ's death, burial and resurrection. Let us cherish the precious time to gather and to offer our praises and prayers unto the Lord. *"For as often as you eat this bread and drink the cup, you proclaim the Lord's death until he comes."* (1 Cor. 11:26)
- Pray that we will not allow the busyness of the Christmas season make us forget that our Lord Jesus Christ is the reason for the season and the purpose of it all. *"For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life. For God did not send his Son into the world to condemn the world, but in order that the world might be saved through him."* (John 3:16&17)
- Pray that many BRGH believers will gather for our Assembly Prayer Day on Saturday 19 December to pray for our assembly and especially for our special Christmas outreach.
- Pray that we will be empowered with boldness to give the Christmas invitations and some tracts to people we meet along Burmah Road and the community around BRGH after the Assembly Prayer Day. *"For I am not ashamed of the gospel, because it is the power of God that brings salvation to everyone who believes..."* (Rom.1:16)
- Pray that many will be invited and will tune in to our BRGH online Christmas Special outreach on 25 December at 11.00 am or 8.00 pm. Pray that the broadcast will not have any technical hitches so that the gospel message will be presented powerfully and many will open their hearts to receive the Lord. Pray too for opportunities to share this video with friends and relatives in our homes. Pray for the AV team which is currently editing the video.
- Pray that all the Lighthouse Kidz children will be able to attend their Prize Giving Day on Sunday 20 December. Pray that the parents will also attend so that the teachers and helpers will have the opportunity to know them better and to share the gospel with them. Pray especially for the teachers and helpers as they prepare for this event. *"Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these."* (Matt.19:14)
- Praise God that Maran has been discharged from hospital and there are no more kidney stones. He is now on medication and antibiotics until the next CT scan. Pray for aunty Molly as apart from the suspected lumbar spondylosis, the x-ray also showed that she has kidney stones. She has been referred to urology for further consultation in January 2021.

Mission

Kepala Batas Gospel Centre (Extracted from CBSM Prayer Letter Dec 2020)

- KBGC is a small assembly ministering and reaching out to many Tamil speaking families around the region. They have been conducting weekly Kid's Club activities, tuition, Bible studies and home visitations for the past few years. However, the MCO has halted these activities since March 2020 but they have been visiting some non-believing families and were able to distribute Manna food packages and find opportunities to share about the Lord Jesus Christ. Pray that these families will always be opened for visitation, sharing of Gospel and prayer. Pray especially for the workers who are labouring for the Lord in this ministry.

New Hope Christian Ministries (Extracted from Mr Dahlberg's Prayer Newsletter Dec 2020)

- Praise God that they were able to help thousands during this pandemic due to the financial generosity of believers. Pray for the community in Cebu where Mr Dahlberg is in especially the poorest kids and teenagers in the squatter slums who are not allowed out of their tiny hovels living with 6-8 people crammed in a little room since the lockdown began in March.
- Pray for Mr Dahlberg who is busily involved with leading, advising and getting help to the big team serving in the New Hope mission fields. Pray that he will be blessed with wisdom as his life is busier than ever with greater challenges and needs as many tasks take longer to do online.
